

Clientèle Funeral Dignity Plan Terms and Conditions

What the policy covers

1. This policy covers death due to an accident (e.g. hijacking, shooting or stabbing) and natural causes (e.g. illness).
2. The money can be used to pay for funeral expenses or to cover additional costs as they may arise during this difficult time.
3. We do not pay for specific funeral arrangements.
4. Cover can be taken for yourself, or family cover can include your spouse, and up to three children under the age of 18.
5. Under either plan, you can also cover up to 8 other family members. The additional premium you pay for each extended member will depend on their age.
6. Accidental death cover is immediate from the time you have purchased your policy for up to 45 days or until your first premium is due (whichever is sooner).
7. Should death of an Insured Life occur as a result of an Accident between the date the policy application was received by us and the Date of Commencement (for a maximum of 45 days), 100% of the total funeral benefit will be payable. Thereafter cover is dependent on payment of monthly premiums and 100% of the total funeral benefit will be paid on death due to an Accident.
8. Should death of an Insured Life occur due to any reason other than as a result of an Accident, the payment will be determined in the following manner:
 - a. 0% of the total funeral benefit from month 1 – 6. (the waiting period)
 - b. 100% of the total funeral benefit from month 7 onwards.
9. The waiting period (i.e. 6 months) is calculated from the date of commencement or resale of this policy (whichever occurred last). If you had another active policy with similar benefits in the past 31 days, the waiting period will be determined from the commencement of that policy. If a policy is resold after it has lapsed or been cancelled for more than 3 months, the waiting period will start again from the date of resale. We may choose to apply special terms and conditions when reselling your lapsed or cancelled policy. During the waiting period you receive no cover for death due to any reason other than as a result of an accident. In other words, you are not allowed to claim for death due to illness even though the policy has commenced. The main reason for imposing a waiting period is to prevent clients from purposefully taking out a policy only to immediately claim. Due to the fact that waiting periods reduce this risk, they also reduce

the insurance premium or potential impact of further increases.

10. COVID-19 Benefit Should the death of an Insured Life occur as a result of COVID-19 during the waiting period, we will pay the total funeral benefit amount, as indicated in your policy schedule, up to a maximum amount of R50,000 subject to meeting all other requirements of this policy, as well as the following conditions:

- You have paid your first premium and every subsequent premium, on the due date.
- The insured life has not been tested positive for COVID-19 or received treatment for COVID19 prior to taking out the policy (or being added as an insured life on the policy).

COVID-19 is an illness caused by one of the corona family of viruses, called SARS-CoV-2.

Diagnosis of COVID-19 must be confirmed by a positive test and communicated to the National Institute for Communicable Diseases (NICD).

11. IFA Earnings Guarantee Benefit: On death or Total and Permanent Disability of an IFA, a lump sum equal to 12 month's IFA Earnings is paid, based on the earnings in the month prior to the claim event. In addition a monthly payment equal to the last monthly earnings will be paid for 2 years thereafter.

12. We will cover your children up to the age of 18, but if they are **full time students, attending a registered tertiary institution** they may remain on your policy up to the age of 21.

13. Cover is dependent on the payment of your premiums, when they are due.

14. The primary exclusion is suicide, which is not covered until 1 year after inception of the policy, i.e. 12 months, 12 paid premiums.

15. The policy wording contains the full list of exclusions applicable to this policy. Please ensure you read these to familiarise yourself with all benefits, exclusions, or waiting periods.
